P.O. Box 3703, Santa Barbara, CA 93130

### Monthly Meeting: TUESDAY, January 8, 2008

Goleta Community Center, 5679 Hollister Avenue, Goleta  
Coffee and book exchange from 7:00 P.M.  
Program at 7:30 P.M.

### This Month's Program – Club Member Critique and Winter Silhouettes Solicitation

Club members are invited to bring in a tree or trees for critique by other club members. While we haven't done critique programs much in recent years, they used to be a staple of club activities and were very popular. Your editor made a number of radical adjustments (like changing the front to the back) to one of his bonsai after the last critique program. If you're in a quandary about what to do with a tree, bring it in for some opinions. The advice is free and just might be worth more than that!

The Club has again been invited to enter a tree in the Winter Silhouettes show at the Los Angeles Arboretum. (See Coming Events, below.) This show is unique in California and gives the bonsai artist an opportunity to really show what they can do. If you have a tree that might be suitable for this show, *please bring it to the meeting!* You never know, it just might be favored to be shown on behalf of the club.

### Last Month's Potluck

Much fun was had by all at the annual December Potluck. The weather was intermittently overcast and cool, but the warm camaraderie made up for the lack of sunshine.

### Club Business: 2008 is Here !!

**Annual Dues are \$25.00 individual, \$37.50 family.** Please fill out the enclosed form and bring it, along with your check made out to "Bonsai Club of Santa Barbara", to the January meeting. You may also give your checks to treasurer Theresa Stiem or mail them to the club's P.O. box shown on the form.

### Saturday Workshops

**Saturday Workshops** begin again on Saturday, January 19<sup>th</sup> with **Roy Nagatoshi** as guest master.

**Workshop fee is \$100.00 per semester.** There are two workshop sessions (semesters) per year with four Saturday meetings, each supervised by a recognized bonsai practitioner. In addition, there is one free open workshop each semester in which any club member can come and get advise from other club members and just enjoy the company of fellow bonsai enthusiasts while you work on a tree or two. You can pay for your workshop for one or two semesters at the same time as your dues using the enclosed form.
