SATURDAY, JANUARY 9, 2010 – WINTER POTLUCK AND RAFFLE

Our potluck as originally scheduled in December was cancelled because of rain. Keith Mautino, reluctantly, said he is unable to host the rescheduled party at his house. Tom Post offered to fill the void, so come and say goodbye to the holidays and hello to the new year at his house, 839 Cambridge Drive. Thank you, Tom. Come at about 11:30 and bring a dish, any dish, to share at noon. Also bring a little money and some bonsai-related items for the raffle after lunch. See the accompanying map. Call Tom at 964-2717 if you get lost.

TUESDAY, JANUARY 12, 2010, MIKE TULLY ON PEST CONTROL

Goleta Community Center, 5679 Hollister Avenue, Goleta. Coffee and book exchange from 7:00 P.M. Program at 7:30 P.M. Mike Tully is the owner of Terra Sol Nursery. He will talk about everything you ever wanted to know about current systems, sprays, etc for dealing with pests, and about fertilizing, enhancing growth, etc. Bring your questions.

Mike Tully was born in Pacific Palisades. He has been a Santa Barbara resident for 28 years. He attended Santa Barbara City College and graduated from Cal Poly San Luis Obispo with a degree in Ornamental Horticulture, and has been in the nursery industry for 23 years. He is the owner of Terra Sol Garden Center which he established in 2001.

LAST MONTH: NOTHING HAPPENED

The potluck was rained out for the first time since we started it fifteen years ago. Also, the Marco Invernizzi workshop was canceled. Too many people had conflicting commitments that prevented them from attending.

2010 DUES ARE DUE

Please fill out the accompanying renewal form and bring it along with your check to the Tuesday meeting or mail it to the club's PO box. Dues are still \$25.00 for individual, and \$37.50 for dual or family memberships. You are encouraged to make sure your e-mail address is correct and to check the box indicating that you want the e-mail version of the newsletter.

Not only will you save the club at least \$5.28 in postage, you'll get faster delivery and frequent color pictures.
